

Tis the Season for the Children

November 26th thru December 17th

Stop in at any of these fine establishments to grant an Angel Wish! These gifts will benefit the children in our community as well as those at Rady Children's Hospital!

Please return the unwrapped item to the same location! We will also be accepting donations of children's movies in the G-PG13 range, magazines and books for the children spending their holiday in the hospital this season! These children range in age from newborns to 17 years old and could really use some holiday cheer!
